Fund Investors	Sophisticated Investors
Offer Price	MYR 1.00 per Unit
Offer Period	The offer period of the Fund commences from 9 February 2026 to 9 February 2027, both dates inclusive

TERM SHEET (CON'T)

Investment Committee	General partners and investment manager has full discretion control of which product to be invest while provide stable fixed income return for investors. General Partner will submit investment proposals for the Investment Committee approval before investment.
Annual Income Return	10% per annum
Subscription Fee	The Fund shall pay to the Investment Manager and the General Partner a sales charge of up to five percent (5%) of the total subscription amount of the Fund.
Transfer of Units	Units are not transferable except by operation of law or with the consent of the Investment Manager and the General Partner. There is no formal market for the Units and none is expected to develop.
Redemption	If an Extended Term is approved by the Investment Manager and the General Partner, Unit Holders may opt to redeem their Units at the end of the Initial Term. To do so, a redemption request must be submitted to the Investment Manager and the General Partner within thirty (30) days from the Initial Term's expiry date. Failure to submit within this period will be deemed a forfeiture of the right to redeem. Apart from this redemption option, Unit Holders are required to retain their Units until the expiry of either the Initial Term or the Extended Term, as applicable. For clarity, the Investment Manager and the General Partner reserve the discretion to determine the method of redemption, which may be in cash or in specie. In the event of any early redemption request prior to the expiry of the Initial Term or the Extended Term, the acceptance and approval of such redemption shall be at the absolute discretion of the Investment Manager and the General Partner. Should such early redemption be approved, the Unit Holder shall be liable to pay an early redemption fee of not less than five percent (5%) of the redemption amount, or such higher percentage as may be determined by the General Partner and/or the Investment Manager in their absolute discretion.

ORGANISATION CHART

LEADERSHIP TEAM

Tan Shing Yeou

Malaysian

Mr. Tan is an Australian-educated entrepreneur and private equity professional with a distinguished track record in capital management and corporate scaling across Southeast Asia. As the Founding Partner of LAS Capital, he manages a RM100 million private equity fund, overseeing complex fund structuring and portfolio optimization to deliver long-term investor value. His expertise extends into corporate finance through Invictus Venture, an advisory firm he founded that has supported over 800 SMEs and start-ups across five countries in areas such as M&A, restructuring, and capital market readiness.

Beyond the financial sector, Mr. Tan has successfully applied institutional investment discipline to the agricultural industry. As the Co-Founder of LAS Plantation PLT, he manages over 500 acres of coconut and banana plantations, focusing on yield enhancement and sustainable supply chain integration. By combining deep technical knowledge in corporate finance with hands-on operational experience, he has established himself as a versatile leader capable of transforming traditional industries into scalable, investment-ready platforms.

Leong Hon Ning

Malaysian

Ms. Leong is a seasoned banking and corporate leader with a distinguished career built on strategic leadership, financial management, and business growth execution. Currently serving as the Chief Executive Officer of Blue Mount Management Sdn. Bhd., she holds full profit-and-loss accountability and oversees the firm's strategic direction, risk management, and financial planning. Her previous tenure as CEO of Olympex Sdn. Bhd. (a subsidiary of Industronics Berhad) further solidified her reputation for driving organizational transformation and accelerating growth through high-level corporate initiatives and strategic partnerships.

Ms. Leong's corporate success is anchored by an extensive background in the financial services sector. She honed her expertise in corporate and retail business banking at HSBC Bank Malaysia Berhad, where she managed diverse international and SME portfolios. Additionally, her roles at United Overseas Bank (UOB) and Maybank provided her with deep technical capabilities in credit assessment, fundraising, and mergers and acquisitions. An alumna of Universiti Pendidikan Sultan Idris, she effectively bridges the gap between technical banking proficiency and executive-level corporate governance.

LEADERSHIP TEAM

Lew Choon Meng

Malaysian

Mr. Lew is a corporate and capital markets lawyer specialising in equity capital markets, mergers and acquisitions, and corporate and commercial transactions.

He holds a Bachelor of Laws (LLB) from the University of Tasmania in 2008 and was admitted as an Advocate and Solicitor of the High Court of Malaya in 2010.

Mr. Lew has advised on initial public offerings on Bursa Malaysia, Hong Kong Exchanges and Clearing (HKEX), and the Singapore Exchange (SGX). His experience also includes mergers and acquisitions, takeovers, corporate restructurings, and fundraising exercises involving private equity and venture capital funds.

He regularly handles both local and cross-border transactions, advising on deal structuring, negotiations, and the drafting of a broad range of corporate and commercial agreements. His client base spans the Asia-Pacific region, including mainland China, Hong Kong, Taiwan, Japan, Singapore, and Indonesia.

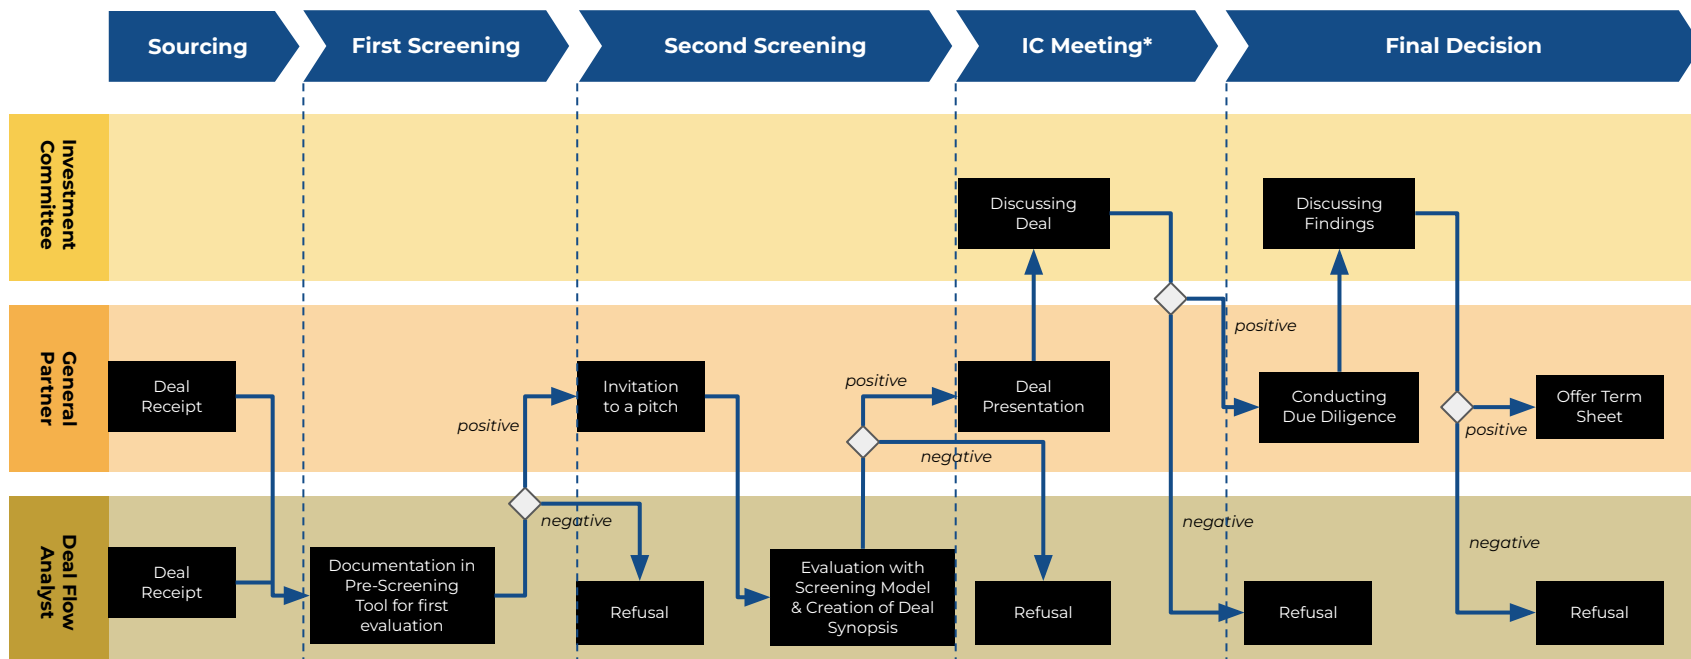

Khalili Bin Buyong

Investment Manager

Mr. Khalili is a highly experienced regulatory and risk management specialist with over three decades of expertise in the Malaysian financial landscape. An Economics graduate from Universiti Kebangsaan Malaysia, he built a foundational career at Bank Negara Malaysia (BNM), where he spent 25 years in critical functions including bank supervision, risk-based internal auditing, and the implementation of the Money Services Business Act 2011.

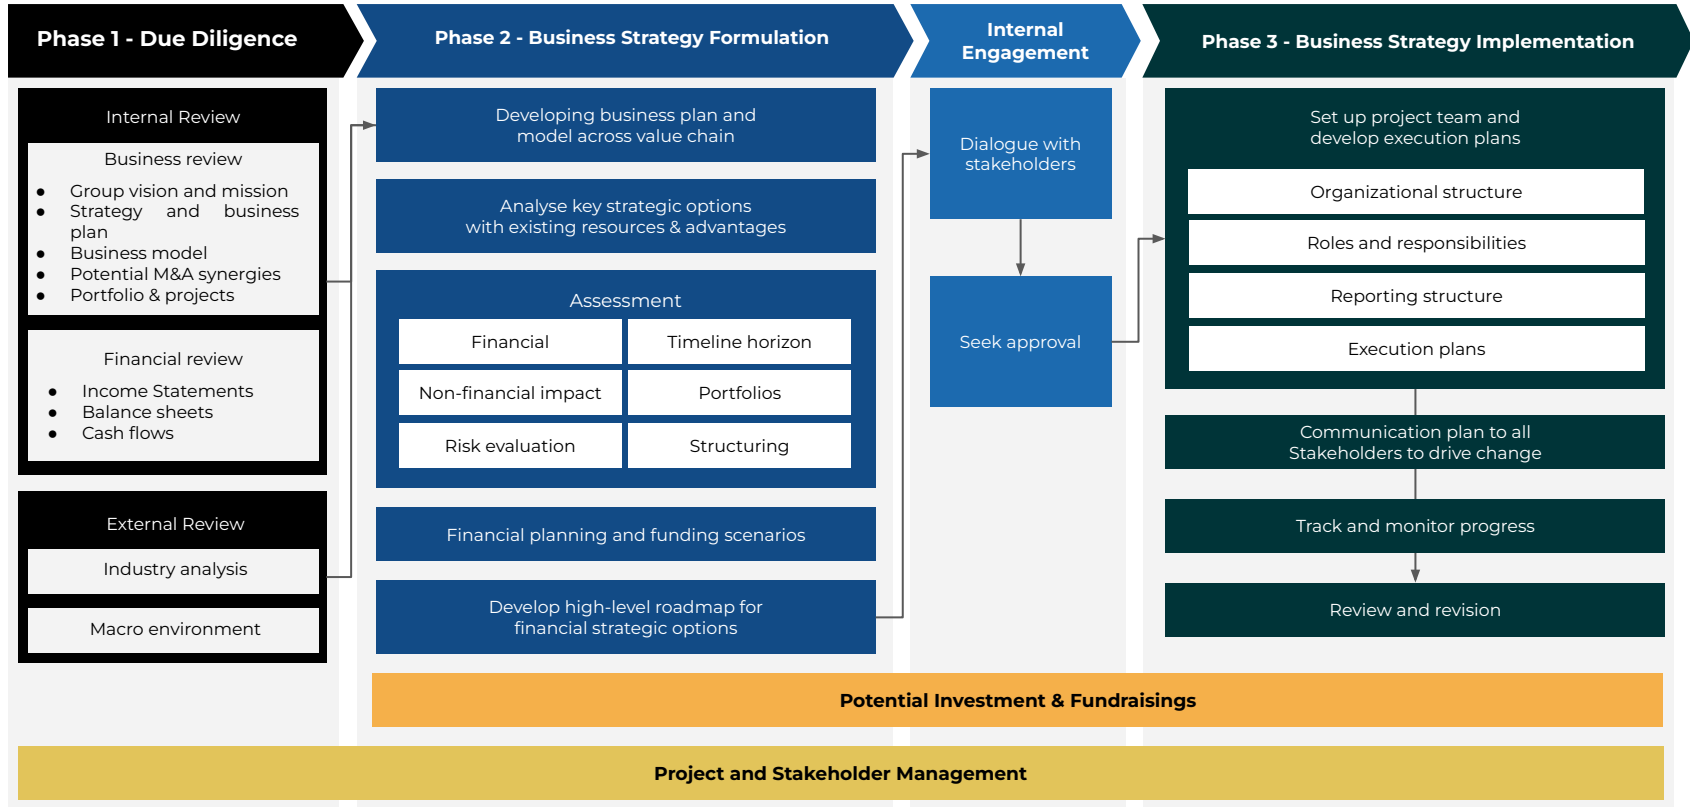

A key figure in the development of Malaysia's cooperative sector, Mr. Khalili was instrumental in establishing the supervision framework for Suruhanjaya Koperasi Malaysia (SKM). His leadership in auditing major entities like the Police Cooperative and Bank Persatuan paved the way for his transition into executive risk roles. Notably, as the former Chief Risk Officer at Co-op Bank Pertama, he built the bank's entire risk management department and governance framework from the ground up.
